NLBC's Mission Statement:

*"To glorify God
by making Jesus Christ known
by word and deed
through camping and conference programs."*

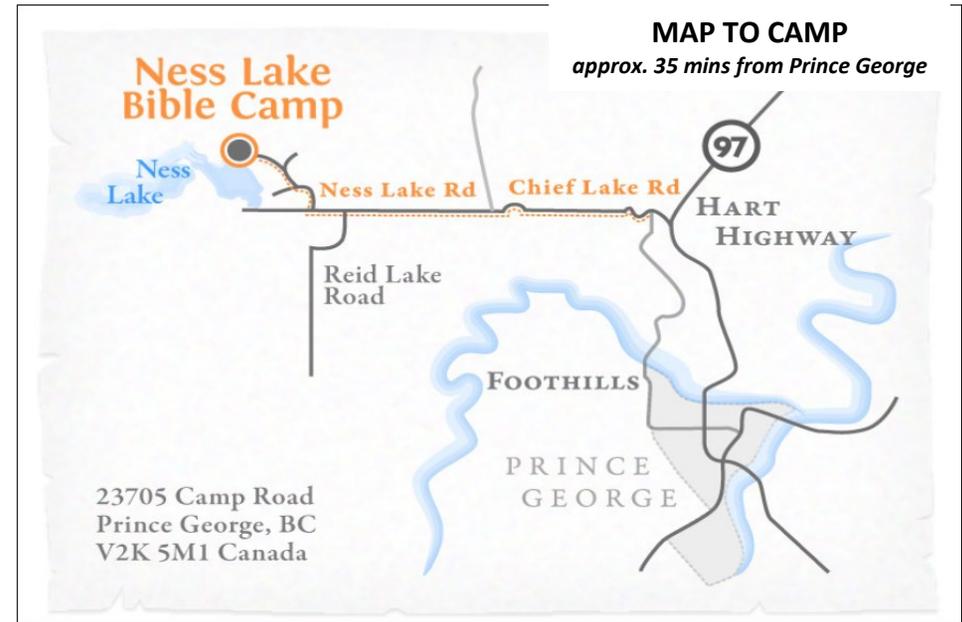

ARE YOU READY TO MAKE A DIFFERENCE?

God has used Ness Lake Bible Camp since 1953 to introduce thousands of children and young people to Jesus Christ. In 2005 we increased our capacity by 40 campers per week by completing a satellite camp called **WilderNess** on nearby Little Ness Lake. Many children made first time commitments to follow Jesus and many others made recommitments or indicated they grew in their faith. We hope to give each camper an opportunity to experience unconditional love, fun and excitement, laughter and joy. More significantly, we want to challenge children to respond to Jesus Christ's invitation to "Follow me".

We believe that Christian Camping is the most effective tool of evangelism in Canada! If you have a passion for God and a desire to serve Him by loving children, NLBC may be the place for you. This year we have about **100 Summer Team openings**. Whether you like to be at the center of the action, or behind the scenes facilitating the ministry of others, Ness Lake has exciting ministry opportunities for you! Don't let this summer pass you by without making the most of it. Follow His lead and be part of what God is doing in the lives of others... He is able to use you beyond your wildest dreams! Our theme this summer will be *Superheroes* and there is always something new and exciting each year. Why not invest in kids and their lives this summer and be part of the adventure?

One Hope Canada Statement of Faith

One Hope Canada is a distinctively Christian organization whose purpose is "We present the Gospel, particularly to those having the least opportunity to hear of Christ and especially to children and youth, and disciple believers for living and serving through His Church."

Abbreviated Statement of Faith:

1. The whole Bible is inspired by God and, therefore, our authority for faith and practice.
2. The Trinity is one God: Father, Son and Holy Spirit.
3. Jesus Christ is God and was miraculously conceived, performed miracles, died and was buried, physically rose again, ascended to heaven and will return.
4. In the person of the Holy Spirit, whose ministry is to glorify the Lord Jesus Christ, draw all people to Him, renew the believing sinner, and indwell, guide, instruct and empower the believer for godly living and service.
5. In the existence of Satan, a created being and an enemy of God.
6. All people, though created in the image of God, have rebelled and are totally sinful, unable to please God; all will one day be resurrected and only by being born again through faith in the Lord Jesus Christ alone can they receive salvation and the gift of eternal life, thus escaping conscious eternal punishment.

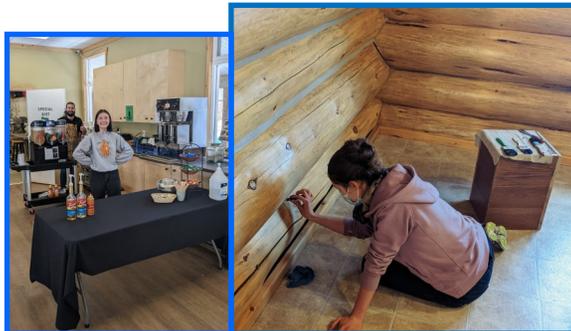

Summer Team 2023

Have You Heard about NLBC's Year Round Crew?

Are you considering full-time camp ministry?

We have Year Round positions that run from September to April available! The Year Round Crew is a unique experience you won't find at any other camp. While not an internship, you will get an opportunity to see what year round camp ministry looks like by hosting guest groups and NLBC events. This includes housekeeping, learning new skills like operating a skid steer, making signs, prepping for the next summer, hosting school groups, assisting with site maintenance, and preparing for our own events. Housing with utilities is provided, and meals are provided when we're cooking for a guest group (there's many!). NLBC pays a base salary plus time to work on personal fundraising. To get more info, contact us or apply on our website! Contact info is on the back page!

2023 SUMMER

Let's goooo Summer 2023! We're offering overnight and day camps again, as well as our beautiful WilderNess camps! We are able to provide unique and exciting experiences not just for our campers, but for the summer team as well! It's not just a lot of fun, each summer teaches and strengthens the summer team as we grow in community and our faith together. Maybe you'll even get to ride our (currently under construction) new giant swing, fingers crossed! We are looking forward to next summer, and what God will do in the lives of campers and the summer team. We pray that you can join us in fulfilling God's calling on our lives as believers to spread the good news of Christ, and to love and serve those around us!

WHAT CAN YOU EXPECT FROM SERVING AT NESS LAKE BIBLE CAMP?

MINISTRY EXPERIENCE

- **Program Team** (Cabin Leaders, Junior Cabin Leaders, Summer Team Coordinators, LIT Coordinators, Lifeguards, Program Coordinators, Day Camp Leaders, AV Techs, Worship Coordinator, and A Team): The Program Team is involved in small and large group leadership opportunities on a daily basis throughout the summer. The focus of your efforts will be spiritual, recreational, and social. Camp is a great place to put your knowledge to work, and to become an effective servant in the Kingdom of God. Are you ready to be on the front lines? Do you want an opportunity to share the Gospel with children and teenagers? Join the Program Team!
- **Support Team** (Kitchen, Maintenance, Office, Store): Jesus came "as one that serves". The Support Team works behind the scenes creating the platform required to give kids a great week at camp. It is a vital part of NLBC's ministry. NLBC's Support Team allows you to use and develop your gifts and bring glory to God by learning to serve Him with joy.

SPIRITUAL GROWTH – You will be challenged and stretched as you build relationships and share Christ with campers through daily activities, Bible studies, and Chapel times. You will be asked to go beyond your normal limits, and as you do so you will be able to see God work in and through you. You may even have the opportunity to lead a child to Christ! We also recognize that those serving need to be built into and disciplined as well. Every member of our Summer Team is a part of a small group which will meet twice weekly to pray, read, and hold each other accountable. There is also a weekly worship night where we spend time worshipping God together. Whatever the summer brings, it will provide ample opportunity for you to grow in trust with God.

PERSONAL GROWTH – We believe your volunteer experience is just as important as the experience we offer campers. Times together at Summer Team Training and Summer Team Camp are an important way of building community. The NLBC Board and Year Round Missionaries work hard to maintain an environment that fosters deep friendships, love and respect, and lots of fun and laughter. It is our hope that the friendships and memories made at camp will last a lifetime! Just ask someone who was involved last summer, and they'll say, "It's one of the most significant things I've ever done!"

SKILL DEVELOPMENT – Ness Lake Bible Camp places an emphasis on skill development. Campers may choose to participate in archery, canoeing, crafts, nature study, outdoor living, riflery, rock climbing, water skiing, or wakeboarding. Applicants with training and skills in one or more area are given preference. Regardless, you will have the opportunity to learn and participate in a wide range of activities. Summer Team Training will also include specific training in activities and basic First Aid for some positions.

SPRING CREW POSITIONS

Fundraising is not a part of Spring Crew. If you are able to join us for these 9 weeks, April 24-June 29th, please indicate your availability on your Summer Team application.

“BUT I NEED A REAL JOB”

If you're weighing the options of getting a traditional job for the summer or working at camp, consider this! There are many benefits to working at camp, both in new skills and strengths, as well as in your spiritual life. A study done a couple years ago found that **“youth who attended religious summer camp were significantly more likely to be involved in religious small groups, attend church, and remain affiliated with their religious tradition 5 years later than those youth who did not attend”** (The Summer Camp Experience and Faith Formation of Emerging Adults, Sorenson, 2014). Many Bible collages also offer tuition reductions and donation matching if you work at a Bible camp over the summer. Make sure to find out what your post secondary offers! Skills and benefits from working at camp varying by position:

- How to teach activities
- Safety instruction and direction
- Conflict resolution

SUMMER TEAM POSITIONS

Life has continued to become more expensive, so we have raised honorarium amounts through our budget (fundraising, camper fees, guest group fees, donations) to be a blessing for all of you who dedicate your summer to serving at NLBC. Honorariums are given by calendar week (not by individual camp) as follows:

Support Team Positions - \$350/week

Leading Team Positions - \$300/week

Junior Team Positions - \$200/week

We are also going to assist you in fundraising for your positions through support letters. Our goal is for Summer Team members to match the NLBC honorarium amounts (above) through personal fundraising. This could double your total earnings for the summer.

NLBC Honorariums + personal fundraising = designated positional maximum as follows:

Support Team Positions - \$700/week

Leading Team Positions - \$600/week

Junior Team Positions - \$400/week

The goal is that, with prayer, you will be able to see the Lord provide for you in new and amazing ways. We would love to see your personal fundraising match your honorarium, therefore getting you your designated positional maximum. In accordance with the One Hope Canada Missionary model, the overall funds that you receive can not exceed your designated positional maximum. Those who are able to raise funds above the personal fundraising goal will still receive all that they fundraise, which, when combined with the NLBC honorariums, will meet, but not exceed, the designated positional maximum for your position. Here's an example:

Example 1: Sally is a Leading Team member for 8 weeks who fundraises \$2,600. NLBC will then give her \$2,200 in honorariums and she will received the designated positional maximum of \$4,800.

Example 2: John is also a Leading Team member for 8 weeks, and he fundraises \$1,000. NLBC will give him \$2,400 for honorariums and he will receive a total of \$3,400.

Returning summer team members can receive a returning bonus on top of these amounts! Check out the bonus details on page 12!

2023 DAY CAMPS

After doing day camps in 2021, we realized there was an opportunity to provide kids more ways to come to camp by offering both day and overnight camps. Day campers will be bussed to camp from a location in town every morning, and bussed back to town for pick-up before supper. The Head Day Camp Leader with the help of three Cabin Leaders, will be in charge of these 24 campers and will be riding on the bus with campers. The day campers will have a similar schedule as the overnight campers during the time they are at camp. We hope this makes it easier for kids who don't want to stay overnight to still come and have a great camp experience!

WHAT IS THE LIT PROGRAM?

(for teens going into grades 10-12)

The LIT program is led by some of our most knowledgeable and wisest summer team members in order to ensure a high quality experience.

This is a 3-4 week diverse and highly rewarding program, designed to combine the fun of camp with valuable training to prepare participants to be our future star summer team members. LITs will develop many skills and work in many areas, including: kitchen, dishes, cleaning bathrooms, maintenance and program. The LITs will go through many of our summer team training seminars, as well as multiple devotionals to help build both their faith and knowledge. Former LITs will be given preferred consideration for summer team.

LIT's get breaks/weekends on the same schedule as our weekly camps. Reference the Camper Schedule to see when the LIT will be required to be at camp or on a break.

LIT registration is subject to an application.

WORK CREW TO LIT PROGRAM CHANGES

When Work Crew was created in 2001, it was a unique opportunity for teens to come to camp for 3 weeks and wash dishes, do Bible studies, clean bathrooms, be mentored, take part in the camp community and work outside on various projects. Gradually we added more opportunities to learn from Cabin Leaders about cabin leading and other leadership training. To reflect this change, we changed the name in 2022 to Leader-in-Training! We're very excited for this change. It also means that the names for Cabin Leaders/LITs have changed to Cabin Leader and Jr Cabin Leader.

Matthew 28:19

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit."
